Matthew 25:1-13

There are only three Sundays left in our Church year. The gospels for each of these three Sundays comes from Jesus' last teachings before he suffered, died, and rose from the dead. Each of these is about the necessity of being ready for God to enter into our lives and what we can do to be ready. Today, in the Gospel of Matthew, we hear about five people who were prepared and five people who were not.

What kinds of things do you do in your family to prepare when special people are coming to your house? What do you do to make people feel welcome when they come to your house? This could be grandparents, aunts & uncles, cousins, playmates, or grown-up friends. What kinds of things can you do to be prepared for Jesus to come to your house at any time?

St. John Fisher's newest ministry is our High School Youth Group called THE FISH! Many teens grades 9th thru 12th have come together to share faith, community, and provide service. We have had four meetings and activities since late August and THE FISH is going strong. Any high school parish youth are invited to join THE FISH! Check out Facebook THE FISH SJF, or contact coordinator Diane Voeller at voellerd@comcast.net, or 503 246-5261 for more information.

THE FISH meetings are held at 12 noon after the monthly 11 am Youth Mass at St. John Fisher. Meet us in the church parish hall! All youth grades 9th thru 12th are welcome!

Our next Youth Mass is Nov. 20th at 11 am.

OTTO & ANITA'S

Every day is St. John Fisher Day at Otto & Anita's German Restaurant in Multnomah Village. Every day they will donate 10% of your bill (excluding beverages) to St. John Fisher Parish. *It is their parish, too.* Simply tell your server that you are from St. John Fisher.

SJF AUCTION NEWS

A heart-felt thank you to the SJF parish community for making the 23rd annual St. John Fisher School Auction, *Divots to Diamonds!* so successful. The auction committee, led by chair Joanne Miller, has been inspired by the parish and school community's willingness to give to tonight's event through their time, talent and treasure. Even with the continued strain of an uncertain economy, your devotion to our students and school has been unwavering. Every dollar the auction raises goes directly to the school. This support allows St. John Fisher to continue its mission of providing a Catholic education to help every child develop as a whole person spiritually, morally, academically, socially, physically and culturally. God bless all of you, and thank you again.
